

## July 2009 Monthly Sales Revenue and Sales Volumes

**August 17, 2009** - International Barrier Technology Inc. ("Barrier") (IBTGF: OTCBB; IBH: TSXV), a manufacturer of proprietary fire-resistant building materials is releasing sales revenue and sales volume results for the month ending July 31, 2009. Overall revenue generated for the month of July 2009 was \$238,283 vs. \$527,156 generated during the same month in 2008. Revenue into the Commercial Modular Market was \$117,752 (vs. \$203,927), while revenue into the Residential Roof Deck Market was \$18,750 in comparison to \$43,168. For the current month, there was no revenue into the Structural Insulated Panel Market vs. 15,514 in July 2008.

Sales volume of shipments of Blazeguard products for the month ending July 31, 2009 was 376,128 sq. ft. in comparison to 713,808 sq. ft. that was shipped during the same period one year ago. Shipments into the Commercial Modular Market were 333,568 sq. ft. Residential Roof Deck Market shipments were 42,560 sq. ft.

While Barrier continues to weather the U.S. housing slump and overall economic downturn, the company has seen increased interest in the use of its products in new markets such as government/military roof and wall assemblies and in the California Wildland Urban Interface (WUI) markets.

### **About International Barrier Technology Inc.**

International Barrier Technology Inc. (OTCBB: IBTGF; TSXV: IBH) develops, manufactures, and markets proprietary fire-resistant building materials branded as Blazeguard®. Barrier's award-winning Blazeguard® wood panels use a patented, non-toxic, non-combustible coating with an extraordinary capability: it releases water in the heat of fire. The panels exceed "model" building code requirements in every targeted fire test and application, and are unique in combining properties that increase panel strength and minimize environmental and human impact. Blazeguard® provides Barrier's customers a premium material choice meeting an increasingly challenging combination of requirements in residential and commercial building construction. Blazeguard® customers include many of the top multifamily homebuilders, and commercial modular building manufacturers in the United States.
