

October 2009 Monthly Sales Revenue and Sales Volumes

November 16, 2009 - International Barrier Technology Inc. ("Barrier") (IBTGF: OTCBB; IBH: TSXV), a manufacturer of proprietary fire-resistant building materials is releasing sales revenue and sales volume results for the month ending October 31, 2009. Overall revenue generated for the month of October 2009 was \$267,453 vs. \$452,280 generated during the same month in 2008. Revenue into the Commercial Modular Market was \$93,359 (vs. \$165,176), while revenue into the Residential Roof Deck Market was \$49,660 in comparison to \$67,274.

Sales volume of shipments of Blazeguard products for the month ending October 31, 2009 was 424,128 sq. ft. in comparison to 608,288 sq. ft. that was shipped during the same period one year ago. Shipments into the Commercial Modular Market were 282,112 sq. ft. Residential Roof Deck Market shipments were 142,016 sq. ft. Note: While we do not predict a trend, overall shipments did increase in October by 32% or 134,136 sq.ft. from last month (September 2009).

Sales included a rail car of material to re-stock inventory at our Florida Residential Roof Deck wholesaler as sales continue to move ahead at a conservative pace. In addition, just this month we received the purchase order for the second rail car of Commercial Modular product to complete Phase 1 of the government project in California.

About International Barrier Technology Inc.

International Barrier Technology Inc. (OTCBB: IBTGF; TSXV: IBH) develops, manufactures, and markets proprietary fire-resistant building materials branded as Blazeguard®. Barrier's award-winning Blazeguard® wood panels use a patented, non-toxic, non-combustible coating with an extraordinary capability: it releases water in the heat of fire. The panels exceed "model" building code requirements in every targeted fire test and application, and are unique in combining properties that increase panel strength and minimize environmental and human impact. Blazeguard® provides Barrier's customers a premium material choice meeting an increasingly challenging combination of requirements in residential and commercial building construction. Blazeguard® customers include many of the top multifamily homebuilders, and commercial modular building manufacturers in the United States.
